

Turn Round.

Verse.

Did you ever see a fellow looking up into the sky.
You will notice how the other fellow do so.
If a fellow should be gazing.
At something up on high.
How the crowd will do the same, will quite amuse you.

Coro.

We will make you turn round if we want to
If we want to, we'll make you turn round.
The young or the old, would'ny miss this for Gold.
If we want to, we'll make you turn round.

Verse 2.

As we were crossing high Street, yesterday, at Half past two
The dirty dogs they knew we, did'nt do it.

(Shouting Bus at the Back).

If we want to we'll make you turn round...
